# PARANORMAL RESERVE

AGED IN 2 OF AMERICA'S MOST HAUNTED HOTELS ✦ AVAILABLE OCTOBER 13

The Paranormal Reserve is a highly anticipated, annual limited edition release of Harridan Vodka “aged” in some of the country’s most haunted places.

This year, only 350 bottles were made, split between the Anderson Hotel in Kentucky and the Crescent Hotel in Arkansas.

The hand-numbered bottles rested at each location for a month and will be available starting October 13 at ShopHarridan.com.
